Dear Sponsor (Bonita Spring)

Hello! How are you doing? Hope you are Fine. I am here to tell you a warm big 'THANK YOU' for supporting me on my education and my need's.

Since, I was just a little kid you gave me a change to prove myself from grade 2. Now, I am trying my best, focusing on my study. I am very grateful to you and your support. Talking about our new school it's very good and we are comfortable here compare to former school (wundy). I know you have tried your best in searching a better school and finally end up with Dikshalaya Nepal foundation. In which we can learn new thing and experience a lot of better things. I am really thankful for your effort that you showed upon us. I am not going to let you down and your hope.

You have been sources of content, support and inspiration for me. I am grateful and humbled. Today to realize the amount of time dedication and money you have spend on
