Welcome New Member Dolly Farrell

Welcome New Member Dolly Farrell

Dolly Farrell is a nonprofit executive with over twenty years' experience serving three universities as well as charitable organizations providing affordable housing, at-risk youth interventions, leadership development programs and environmental protection.

Raised on the Jersey Shore, Dolly lived in North Carolina for ten years before moving to Southwest Florida in 2013. She joined the Charitable Foundation of the Islands (CFI) on October 3rd, 2022, as the organization's first Executive Director, after nine years at Florida Gulf Coast University (FGCU). Dolly earned a bachelor's degree in Sociology from Loyola University of MD in 1998 and a Master of Public Administration from Appalachian State University in 2006.

Prior to joining CFI, Dolly was a key figure in building the donor relations, stewardship, and major gifts program for the FGCU Foundation. As the Senior Director of Stewardship and Major Gifts, Dolly was responsible for the FGCU Foundation Scholarships Program – partnering with the Office of Financial Aid to ensure over \$6 million in scholarship awards was distributed to worthy students annually. Her role at FGCU also included working with generous benefactors to secure support during two capital campaigns – highlights include a \$9.1M gift to the Marieb College of Health Human Services which founded the Shady Rest Institute on Positive Aging; a seven-figure gift to launch the Jazz Studies Program at the Bower School of Music, and over \$1M in annual support for future teacher scholarships.

Dolly's husband, Liam, was raised on Fort Myers Beach after his parents moved to SWFL 41 years ago. Dolly and Liam were married in Fort Myers on New Years Eve 2005 and spent every winter holiday in Fort Myers thereafter. Each trip included a drive over the Sanibel Causeway for vacation. While celebrating their anniversary at Tween Waters in 2012, Dolly and Liam decided to make the move permanently and relocated to Fort Myers with their two daughters in 2013.

Liam has served in various capacities in Lee County Schools since 2013, currently serving his alma mater as Assistant Principal at Cypress Lake High School. Rory (14 years of age) attends Cypress

Lake High School as a freshman; Neeve (12) attends Cypress Lake Middle School and is in 7th grade. Both girls run track, cross country, and play competitive soccer – keeping their parents very busy almost every weekend.

Welcome Dolly!

Welcome New Member Barbara Leazes

Welcome New Member Barbara Leazes

After officially retiring from Re/Max Executive Realty as a Realtor in December of 2022 and now a Sanibel resident, I thought what better service organization for me to get involved in than the San-Cap Rotary Club. Helping others in need and providing community service is very important to me.

While residing in MA, I was very involved with St. Mary's Soup Kitchen, one of many ministries at the church my family and I attended. This ministry fed hundreds of hungry people at various shelters every month. Offering food, friendship, prayers, strength, helping people to make better choices and find safe and affordable housing was our mission. This ministry was extremely meaningful and enjoyable.

I also found my involvement as a member of the Re/Max Executive Realty Charitable Foundation rewarding. This foundation is passionate about supporting local communities by volunteering, donating money and ultimately changing lives - Our motto "We are neighbors helping neighbors".

On a more personal note, I am beyond happy and blessed to be living here on Sanibel Island, a dream come true! My husband and I first visited the Island back in the 80's. After one picnic at

Bowman's Beach with my in-laws, we were hooked and fell in love with Sanibel. I am happily married to my husband of 37 years, we are blessed with two children, our daughter, Amy, and son, Jerry. When we are not snowbirds, we are enjoying our home up north in Ogunquit, ME.

In my spare time, I love spending time with my family and enjoying the beach. My husband and I recently purchased a boat, and we are excited to embark on this new adventure together. I am very interested in helping others within the community. I grew up with a great awareness and was well versed regarding the name and the purpose of Rotary. My dad was a lifelong member and past president of the Watertown Massachusetts chapter. A special thank you to Lee Schaff for sponsoring me.

Welcome Barbara!

Friday's Speaker

This coming week we will hear from Dr. Stanley Grogg, discussing a non-profit he is involved in called 'Power of a Nickel'

Dr. Stanley Grogg. Stan will be discussing a non-profit he is involved in called 'Power of a Nickel' (www.powerofanickel.org). They take medical teams to several countries each year. They provide medicines and supplies to "on the ground" networking agencies such as Rotary to countries such as Belize, Nicaragua, Cuba, Guatemala, the Philippines, Vietnam, India, Peru, Greece and Uganda. Stan and other Rotarians from our Club (Logan Lee and Linda Arnold) recently took a trip to provide medical care to the underserved of Vietnam (the topic of the presentation).

Stan joined Rotary in 1983 and is a Paul Harris Fellow. He is a pediatrician and was in Private Practice in Tulsa, Oklahoma for 25 years and went into Academic Medicine for 15 years at the Ok State Univ - Center for Health Sciences. He was a Professor of Pediatrics, Acting Dean and President of OSU-CHS for 2 years, and retired in 2014 to provide medical care for underserved populations. He is a Professor Emeritus at OSU-CHS. His other hobbies, in addition to leading medical teams around the world, is listening to audio novels and bird watching. He has touched ground on all continents and 185 countries.

Our regular weekly club meetings will resume at 8:00am in person, doors open at 7:30am. Our meeting will take place in-person at the Summerlin Café, 11370 Summerlin Square Dr.

Meetings will also continue to be available by zoom for those unable to physically attend. Those attending in-person may purchase breakfast off the menu or choose to just have coffee, tea, etc.
