Friday's Speaker

**This coming week we will hear from
Michelle Keltner and Matt Gaudreau from the
Childrens Education Center of the Islands (CECI).**

Michelle Keltner is proud to be the new director of the Children's Education Center of the Islands. She has a Bachelor of Science in Business and a Master of Science in Accounting and Finance. Her career in education began over 15 years ago after earning an Integrated Curriculum certificate in secondary education and she began teaching at a local Title I school. After the birth of her daughter, she became interested in early childhood education, an area she's now been working in for over 10 years. She believes a great education is foundational to life success and is always seeking out those great experiences for children and herself.

Matt Gaudreau and his wife and two children moved to Sanibel in January 2021 from Denver, and Boston prior to that. Outside of his 15+ year career in Account Management and Client Relations in the workers' compensation insurance industry, Matt is a member of the Sanibel School Fund Committee, and is the Treasurer of the Board of Directors and the chair of the finance sub-committee at the Children's Education Center. He has also been the main point of contact handling insurance and remodel/construction at the school following Hurricane Ian.

Our regular weekly club meetings will resume at 8:00am in person, doors open at 7:30am. Our meeting will take place in-person at the Summerlin Café, 11370 Summerlin Square Dr.

Meetings will also continue to be available by zoom for those unable to physically attend. Those attending in-person may purchase breakfast off the menu or choose to just have coffee, tea, etc.
