Friday's Speaker

This week we will be hearing from

**Amanda Raukty's,
Naples Compost**

Naples Compost offers residential and commercial composting services, natural gardening products, and animal composting services in all of Collier County, Lee County and Hendry County. Our mission is to provide sustainable and affordable solutions to reduce organic waste that ends up in landfills while promoting the use of chemical-free fertilizers and soils. We collect organic waste and use a proprietary composting process to convert it into nutrient-rich compost. Naples Compost is committed to promoting sustainable living and responsible waste management since 2018, to help individuals and businesses reduce their carbon footprint and protect the environment.

Our regular weekly club meetings are at 8:00am, doors open at 7:30am. Our meeting will take place at The Community House, 2173 Periwinkle Way, on Sanibel

Meetings will also continue to be available by zoom for those unable to physically attend.

See you Friday morning!

Check out what's happening in D6960 this July!

Welcome to the new Rotary year! As we embark on this journey together, I am filled with gratitude and enthusiasm. This year promises new opportunities to make a difference, and I am confident that, with our combined efforts, we will achieve remarkable milestones.
