Award Earned!

Congratulations to us!

Our Club President, Annie Campbell, with Andy Lyman, District 6960 DG 2021-22

Best Mid-Size Club in our District!

Rotary District 6960 Awards Dinner held Saturday night, July 9. There are 51 clubs in our district. They are divided into 3 groups based on size. Our club is considered a medium-sized club. The District Governor and the Assistant Governors (our own Eldon is one!) rated the best of each group and our club was selected the best medium-sized club in our district! This is quite an honor for our club. Our club was also recognized for contributing \$100 for each member to the annual fund and \$50 for each member to the polio fund. Our club had great leadership from Bill Letendre this past Rotary year, and we look forward to this Rotary year under the leadership of Annie Campbell!

District Disaster Trailer

By Cindy Carter Lee on Wednesday, July 27, 2022

Last Friday many of our members donated Happy Bucks to a call for financial support to purchase supplies for the Disaster Response trailers headquartered in our district. We raised in excess of \$800.00! Past President John Danner has been appointed to the 2022-2023 District 6960 Disaster Response Committee and will be providing more information about the effort. Over the past few years our district has assembled a set of Disaster Response Resources to support our communities in event of a major disaster such as a hurricane, flooding, fire, or other situation. The trailers and other resources will be available to our local Rotary clubs and their communities on an as needed basis to support post disaster community needs. These are not First Responder resources but are intended to provide support following a disaster.

The resources include the following components:

- Two 18 ft box trailers outfitted with tools, such as chainsaws, large fans, generators, hand tools, personal protective gear, and supplies to assist in post disaster cleanup efforts.
- One Reverse Osmosis Potable Water generator trailer and water storage and distribution stations. Trailer has the capacity to produce up to 2,000 gallons of

potable water per hour.

- One restroom and laundry trailer, with two shower and restroom stalls, one washer/dryer, and hot water capability.

- Approximately one hundred local Rotarians who are ready to volunteer to transport these resources and provide the personnel to deliver and support these post disaster resources.

John Danner will be soliciting additional members to be on standby volunteers.

The trailers are stored at the Charlotte County public works facility on Florida Ave in Punta Gorda. There are over 50 Rotary clubs in District 6960 in communities located in the following seven counties: Charlotte, Collier, Desota, Hendry, Lee, Manatee and Sarasota

Best of the Islands

We would like to encourage all Rotarians to vote in the Best of the Islands contest for Sanibel Captiva Rotary Club as "Best Service Organization/Club" under the category of "Community".

Also, please vote for Rotarian-owned businesses and businesses that have sponsored us.

Voting can be done once a day from now until August 5, and you must list your email and likely also zip code as 33957.

This is the first year voting is being done online, and also via the ballot that will be in the Islander newspaper.
