Years of Service

Did you know...?

Our Club has set up an "Email It In" account, with a dedicated folder on our google drive for pictures, videos, files or slides, etc, that anyone can send! We can then use the information for newsletters, press releases, social media and other things.

The new e-mail address is sancaprotary@emailit.in.com

If you put a [tag] in the Subject Line of your e-mail it will create a separate folder in the Google Drive under the Email It In folder.

If any of you have recent pictures or videos of Rotarians in action, please try it out. We now have an Instagram account (you heard it here first!) so we need some content to flesh it out before revealing to the membership and public. If you want to search for it and follow it, let me know if it is easy to find or if we need to tweak things.

Have you...?

- District 6960 Finance Committee Meeting (7p)
- Club Board Meeting (5p)
- No Meeting Today

Friday's Speaker

This week we will be hearing from

Captain Codty Pierce, Calusa Waterkeeper

Meet Calusa Waterkeeper Captain Codty Pierce

Calusa Waterkeeper Captain Codty Pierce is a passionate environmental advocate dedicated to protecting Florida's coastal waters. Inspired by childhood adventures, Codty leads efforts to preserve the Caloosahatchee River and more than 1000 sq. miles of local Southwest Florida estuaries.

As Waterkeeper, Codty monitors water quality, investigates pollution, and engages communities in sustainable practices. He collaborates with local authorities and organizations to promote policies ensuring clean water for future generations.

Before becoming Waterkeeper, Codty worked with reptiles, wetland restoration, and native landscaping, also running a fishing guide service in Lee County. His deep community ties inspire his commitment to preserving natural resources. Codty emphasizes respecting the environment's rich cultural history, saying, "We must honor the past to protect the future."

Driven by a love for Florida's unique flora and fauna, Codty continues to expand his expertise through research and outreach. He enjoys sharing his knowledge and fostering environmental education.

Codty's leadership in conservation significantly impacts Florida's ecosystems. He balances ecological sustainability with community needs, striving for a harmonious future.

When he's not working, Codty enjoys fly fishing for tailing redfish—a true joy.

Our regular weekly club meetings are at 8:00am, doors open at 7:30am. Our meeting will take place at The Community House, 2173 Periwinkle Way, on Sanibel!

Meetings will also continue to be available by zoom for those unable to physically attend.

See you Friday morning!

Check out what's happening in D6960 this July!

Welcome to the new Rotary year! As we embark on this journey together, I am filled with gratitude and enthusiasm. This year promises new opportunities to make a difference, and I am confident that, with our combined efforts, we will achieve remarkable milestones.
