Club of Sanibel-Captiva

Call for Road Kill

Many years ago, the Sanibel-Captiva Rotary Club adopted the stretch of road that leads up to the causeway toll booths. On a monthly basis, certain brave members, fearlessly led by Darrin Grotrian, pick up all the trash, debris and who knows what else in an effort to maintain a clean roadway on the entrance to our beautiful island. This effort is affectionately known as "Road Kill". No, it is not glamorous, yes, all are welcome, yes, it builds comradery, and on the plus side, you never know what you're going to find!

September 17 at 8:00
meet at Carlton Naumann, just over the bridge.

Come have fun saving the world one piece of 'treasure' at a time! You never know what you might find!

Friday's Speaker

This week will be hearing from Dane Johnson, Facilities Engineer at Bailey's General Store on Sanibel

Dane Johnson is the facilities engineer at Bailey's.

Sanibel Packing Company was founded in 1899 by Frank P. Bailey with a commitment to serve the people of Sanibel Island. The business provided groceries and general supplies to those living on Sanibel and its visitors. Service is at the heart of Bailey's with a commitment to delighting customers and giving back to their community.

Over the years, the business faced many challenges, especially hurricanes, but the Bailey family stayed strong. Because of their hard work and dedication to serving the island, [Bailey's General Store](#) is now a fourth-generation family-owned and operated business. Dane is the great-grandson of Frank Bailey, grandson of Francis Bailey.

Be sure to join us for our full breakfast for meetings. Please contact Bill Harkey if you are attending the meeting in-person at the Community House, so we can notify the caterer. Please send a confirmation to **Bill Harkey at William.Harkey@gmail.com by 5 pm on Tuesday** every week.
