In case you missed it!

Last week we heard from John Loscuito, FGCU Art Gallery Director!

John emphasized the importance of Art Galleries, especially those in a student environment such as FGCU, through not just an art standpoint, but a historical standpoint and a social good standpoint by introducing artists and past movements to the public.

What is Rotary's Theme for the Month for September?

Basic Education and Literacy month. This is one of Rotary's seven areas of focus.

Did you know that more than 775 million people in the world over age 15 are illiterate? That's 17% of the world's population! If all students in low income countries left school with basic reading skills, 171 million people could be lifted out of poverty. Around the world, Rotarians are working to improve community access to primary and secondary education, increase adult literacy in communities, reduce gender disparity in education, support access and scholarships for studies related to basic education and literacy, strengthen educational experience through improved materials and facilities, provide training in teaching literacy, curriculum development and school administration.

Shout Outs to:

David Lowden & Manuela Martinez for all their work with the Membership Committee
Robert Monk, Paul Hawkins, Savannah Miller Berg, Bill Harkey, Clair Beckman, Roger Grogman, Allison Hussey, Chet Sadler, & Bob Stern for attending the Arts & Crafts Festival Committee meeting. Next meeting is October 10 at 9am at the Bank of the Islands, all are welcome (or by Zoom, contact Robert Monk for the link).
