S4TL

Do you know of a Junior in High School who may be interested in meeting new friends, and learning leadership skills? We'd like to offer this opportunity to our membership before sending an invitation to the local high schools. SEMINAR FOR TOMORROW'S LEADERS (S4TL) is a leadership seminar sponsored by Rotary Districts 6890, 6950, and 6960. S4TL is open to high school students who have completed his/her junior year and will be returning as a senior. Approximately 165 delegates from more than 100 high schools participate in the program. There is room for 55 delegates from each district.

The 2023 Session will be held at Florida Southern College in Lakeland, FL on June 18-24. Daily activities include exciting

lectures, discussions, rap sessions, and demonstrations of those principles which enable an individual to lead others. Students will also get a taste of college dormitory life.
