Lourdes Ramirez successfully won two litigations against Sarasota County in 2023 regarding their approval of mega-hotels on Siesta Key in violation of the Comprehensive Plan. How did she achieve this? What is the Comprehensive Plan and how does it impact our community?

Join our meeting to hear directly from Lourdes about her experiences on Siesta Key and how similar issues could potentially occur in any neighborhood within Sarasota County. She will shed light on the significance of the Comprehensive Plan and offer suggestions on how residents can deal with such a situation when it arises in their neighborhood.

PARTY TIME

Everybody had brought wine of the type that needed a corkscrew and idiot me had left my Corkscrew at a potluck I went to a couple of weeks ago. It seems like the entire attention of the party was focused on trying to find a corkscrew for all this wine when Tim shows up. And Tim just looks up and says, "what's all the commotion, of course I have one," as he pulls his Swiss Army knife out of his khaki cargo pants. Charles
