### How an International Baccalaureate Education Cuts Through the ‘Noise’ on Banned Topics

Florida laws have imperiled AP courses. What about International Baccalaureate?

James Minor teaches his IB Language and Literature class at Riverview High School in Sarasota, Fla., on Jan. 23, 2024.  
— Zack Wittman for Education Week

*Sarasota, Fla. -*

The Riverview High School seniors in James Minor’s International Baccalaureate English Language and Literature class broke into groups to fill out concept maps. They addressed questions rooted in the concept of existentialism—a topic they had been studying over the last few days.
