

Rotary Club of Estero

Bulletin

June 18

Today's guest, **John Wharton**, having spent 40 years in programmatic and administrative roles at public planetariums and science museums, maintains his involvement with museums as a Docent at the Revs Institute in Naples, and as a Peer Reviewer for the American Alliance of Museums' Accreditation Council. John has been a Rotarian since he joined the Rotary Club of St. Louis in 2000, and has been with the Bonita Naples Club since 2017, having been Club President in

2021-22. His presentation will cover ecologically efficient and responsible lighting, as an element of Rotary's Seventh Area of Focus, the Environment.

June 25

Susan Bush is a licensed hearing aid specialist with [Ear to Hear](#) who provide expert service and care. They are an independent practice that does comprehensive hearing tests for a clear understanding of your current hearing abilities. She will explain the benefits of treating hearing loss early.

July 2

Dr. Aysegul Timur, President of Florida Gulf Coast University, received her doctoral degree in Business Administration, majoring in Economics, from the University of South Florida, and both her Master's and Bachelor's degrees in Business Administration from the University of Istanbul. Her areas of specialization include business policy and organizational development, quality and continuous improvement, health (especially pharmaceutical pricing), and international economics. She is a go-to expert for workforce development and was recently honored by the Florida College Access Network as one of its first Workforce Education Innovators. Before joining the University team, she held a variety of faculty and executive leadership positions in higher education, including full professor of economics.

Dr. Timur's presentation is being sponsored jointly by the Rotary Club of Estero and the Greater Estero Chamber of Commerce.

Rotarians who will be present are asked to **sign up by June 28th**

at boudreau923@gmail.com.
