If you missed us last week we heard an out of this world presentation from cosplay re-enactors Michael and Meredith Eng. Cosplay, a blended word of "costume play", is an activity and

performance art in which participants called cosplayers wear costumes and fashion accessories

to represent a specific character. Michael and Meredith came fully decked out in Star Wars attire which was a special treat for many of our

members! This past week the Beaches Museum announced their Beaches Legends for 2025. **Lori Anderson**

will be one of the recipients this year. How exciting! Congratulations Lori-you're in great company.

**Also news of note-the Rote will now be delivered to your inbox every other week-so be on the lookout for club new and info coming to you instead of weekly on a biweekly basis!
