Bruce Jones, 2020

Appointed
Beverly Flanagan
Al Hammack
Jennifer Logue
George McCaughan

Looks like our 'Ladies Who Wine' had a wonderful time at 3 Palms. Thank you **Heidi Lang** for coordinating a fun evening! If you missed us last week-a few updates. Our wine tasting scheduled for the September 28th at the home of **Kathy Fehling** has been rescheduled for November 23rd. We have an A1A Clean-up coming up on October 12th. This is great for

everyone especially our newest red badgers. Rotarians **Clare Berry and Shreena Patel** have offered generous matching funds to other club members donating to the Hurricane Dorian relief efforts supporting the Bahamas.

An update on the Hurricane Dorian Relief Efforts. As you know, Grand Bahama Island and Abaco Island took a direct hit from Hurricane Dorian, with winds that reached 180 miles per hour. This storm has battered these islands and the rebuilding process will take years. Grand Bahama Island has 5 Rotary clubs and is a valued part of Rotary District 6990. Since cash is the quickest way to help, our district will match the first \$10,000 of donations made to our Disaster Fund. Go to our website RotaryDistrict6970.org and give. The donations are tax deductible, and will be overseen by our Relief Committee so they are used most effectively—often through networks of Rotarians, like our Rotary International Past President, Barry Rassin, who lives in the Bahamas.

Rotary

September 19th Program:

Dr. Robert A. Pooley, Ph.D. (Bob) received his doctoral degree in Medical Physics from the University of Wisconsin – Madison and completed a clinical medical physics residency at the University of Minnesota, Minneapolis. He joined Mayo Clinic Florida in 1998 and has specialized in Magnetic Resonance Imaging and Nuclear Medical Physics during that time. Dr. Pooley is Chair of the Division of Medical Physics in the Radiology Department and Director of the 3D Anatomic Modeling (3D Printing) lab. Dr. Pooley was recently selected to join the Board of Trustees of the American Board of Radiology as the Trustee for Nuclear Medical Physics. Bob and his wife, Joan, are recent empty nesters as their sons, Robert (age 21) and Adam (age 18) have recently departed for college at Georgia Tech in Atlanta and the University of Florida in Gainesville.

Greg Leonard, VP of the Palm Valley Community Association works alongside his Board on the Ponte Vedra Citizens Traffic Task Force (CTTF) a local non-profit working to address issues such as: Save Guana Now, Save Ponte Vedra Beach, and Growth Management (GMTRAC). The Growth Management Department facilitates well-designed, efficient, healthy, and safely built developments, while ensuring preservation of the natural and cultural environment. Responsibilities include long range planning, environmental planning and education, building permitting, and development review. The CTTF Board consists of representatives from the Ponte Vedra Beaches Coalition, the Ponte Vedra Community Association, the Palm Valley Community Association, the Ponte Vedra Municipal Service District, the North Ponte Vedra Beach Coalition, and representatives from the Sawgrass, Marsh Landing, Plantation and Sawgrass Player's Club Homeowner's Associations.
