Lots going on with TBRCITW so lets get started! Don't forget your whites this weekend for Cocktails and Croquet! Join us October 15th from 3-6pm at the PV Croquet Club. Its always a blast! The Beaches Rotaract Mentor Program needs you! They are working hard to find mentors for

the 24 Rotaract members who signed up to be mentored. They currently have 14 Rotarians from our club and are asking for ten more so they can launch the program for the season. We simply ask that you meet with your mentees **ONE TIME PER MONTH**.

It's a small commitment but a great opportunity to connect with a Rotaractor. Below, you will find a link to a spreadsheet that you can add your name and contact info directly next to the Rotaractor who your experience best aligns based on the info provided. We are hopeful to launch the program ASAP so if you can respond by Wednesday, Oct 12th it would be appreciated. Sign up [here](#):

Our guest speaker was David Minardi who spoke to the club about mental health and how much more attention it needs in our society. David Minardi has over 30 years of business management and business ownership experience. He is recognized as a superior recruiter and his track record of employee relationship building and retention is exceptional. Minardi's coaching works to improve employee retention, recruitment and culture. He helps groups understand the significance of employee mental health and collaborate with them to develop customized solutions to reduce employee stress and improve mental health. Just a few facts: 68% of Millennials and 81% of Gen Zers have left roles for mental health reasons, both voluntarily and involuntarily. 76% of respondents reported at least one symptom of a mental health condition in the past year. C-level and executive respondents are now more likely than others to report at least one mental health symptom.

OK TBRCITW! This week is the last week for the BEAM Food Drive! Did you know that their pantries gave out 31% more food in August 2022 than in January 2022? You can't miss the big blue bin the lobby of Marsh Landing. If members would like to make cash donations, we can take your checks, too, and deliver them to BEAM so BEAM can purchase these

most-needed items. Lets all work together to support our local community! Please see the attached list of much needed item and bring them THIS Thursday!
