Toni Chrabot  
Beverly Flanagan

Quite the International meeting last week if you missed us! We heard from Past International President **Barry Rassin** who gave a timely presentation considering we had Beaches Rotaract President **Sean Conley** on Zoom to give his presentation the same day! A HUGE congratulations to **Sherry** and **Rosemary** on the approval on the global grant. We can't begin to understand the time and effort put in to receive this and support you both every

step of the way! Heard two truths a lie from the "Boss" Bruce Barber. Those are so fun! \*\*\*Ecology Day is coming up! Mark your calendar for March 27th-- we will meet as usual in front of Larry's Giants Subs at 7:30am

and clean up our beautiful stretch of highway after THE PLAYERS Championship!

## **February 25th Program:**

Brett McClung is President and Chief Executive Officer of Baptist Health, a mission-driven, faith-based, nonprofit, locally governed health care system based in Jacksonville, Florida that cares for more patients than any other in Northeast Florida. The system is comprised of over 200 points of care, encompassing five hospitals, including Wolfson Children's Hospital – the region's only children's hospital. All Baptist Health hospitals, along with Baptist Home Health Care, have achieved Magnet™ status for excellence in patient care. McClung also serves as CEO of Coastal Community Health, a highly integrated network of seven hospitals that includes Baptist Health and Southeast Georgia Health System.

Since becoming president and CEO of Baptist Health on July 1, 2019, McClung has led the health system through notable accomplishments including top rankings from U.S. News & World Report; national recognition from The Human Rights Campaign Foundation for continued commitment to LGBT+-inclusive health care; five straight As from The Leapfrog Group for the highest quality and safety rankings; inclusion on Becker's Top 100 Great Hospitals list; the highest honor for Stroke Gold Plus hospitals for comprehensive stroke care; and the development of the health system's innovative 5-point strategy.

Prior to joining Baptist Health, McClung served for more than 26 years at Texas Health Resources, one of the largest faith-based, nonprofit health care systems in the United States. During his tenure at THR, McClung led transformational efforts, accelerated the adoption of best practices and achieved top rankings in patient safety and satisfaction, employee partnership and physician alignment.

Education for the Children  
Jocotenango, Sacatepequez, Guatemala

Felicidades!  
GG2010488  
Aprobada!!  
Global Grant  
Approved!!
