Red badger **Susan Mack** kicked us off with fun facts about our beloved **Shelley Morgan**. Beaches Rotaract also announced their 'Night at the Alhambra' will be June 17th at 5:30 with a production of "Seussical the Musical". More details to come! We also heard a phenomenal update and presentation from **Rosemary Takacs** alongside UNF engineers sharing news and challenges facing their water project. Speaking of UNF guest speaker was Dr. David Szymanski, UNF's 6th president. He took a deep dive into their partnerships, research and development, and bright future of UNF.

I like the COVID outcome slide. Something

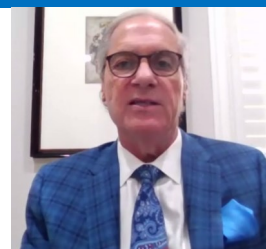

we can all
relate to right?

April 15th Program:

Following graduation from the United States Military Academy at West Point, N.Y., Dale served as an Infantry officer at Ft. Benning, GA, Berlin, Germany, and finally Ft. Bragg, NC. Following contacts with the Procter & Gamble recruiting team, he joined P&G in 1976. Dale served in a variety of sales and marketing positions for the next 32 years. Highlights of his service include leading the first customer business team P&G fielded, creating the Liga Contra el Cancer marketing event in Miami, Florida; the most successful and longest running event in P&G's history; and then, upon retirement, received the Lifetime Achievement Award for long term impact on P&G's culture and the development of future leaders. Following retirement from P&G, Dale served on the Board of Directors of Seamark Ranch and consulted in development and team effectiveness. Dale joined LCPS Management in December 2012 as Chief Operating Officer. He is actively involved with the CEO to ensure stability and growth of the managed communities.

Bruce Jones has served as the Chief Executive Officer of LCPS Management, the company that manages Vicar's Landing, a premier retirement community in Ponte Vedra Beach, since November of 2012. Prior to that, Bruce was the Director of Health Services at Vicar's Landing. Before joining Vicar's Landing, he served as the Administrator and President of a 120-bed, free-standing skilled nursing facility in Gainesville, Florida. Bruce is currently Chair-Elect for the Board of Directors for LeadingAge Florida, where he has served in various capacities. He also serves on the Board of Directors of the St. John's County (Florida) Council on Aging. In addition, he is a member of the Brooks College of Health Dean's Council at the University of North Florida. Bruce has a Bachelor of Science in Psychology from the University of Central Florida and a Master of Business Administration from the Crummer Graduate School of Business at Rollins College. He is a Fellow of both the American College of Health Care Administrators and the LeadingAge Leadership Academy. Bruce holds a Florida Nursing Home Administrator license, is a licensed Preceptor and has completed the CORE assisted living certification.
