We are back after a smash of a party!

Lori Anderson and her committee deserve a Texas size round of applause after pulling off a great virtual event. Did you see that line-dancing? We also must congratulate **Mark Travis** on being chosen as our Mineral City trip winner or 2021!! That is awesome and can't wait to here all about it. **David Dunlap** had the pleasure of

inducting two new members into TBRCITW. We look forward to getting to know you both. We also heard a great presentation from a fellow Rotarian SJC Sheriff **Robert Hardwick**. Robert is dedicated to keeping SJC one of the safest places for families to live, work and play and we are grateful for that. Lastly, there is a ZOOM fund raising event on Saturday night to benefit EFTC (Education for the Children) school in Jocotenango, Guatemala. This school is the site of the water and sanitation project our club supports.

The event is on Saturday at 7pm EST. Check out the link to their auction [here](#): There are a lot of unique prizes and even some specialty items from Guatemala! Auction closes to bids on Sunday.

May 5th Program:

Dr. Joseph Krainin is the founder and president of Singular Sleep, LLC, an award-winning online sleep center that offers a home sleep apnea test that patients can order themselves without referrals, online sleep doctor consultations, and affordable CPAP machines and masks. After graduating with honors from Amherst College, he attended Tufts University School of Medicine in Boston, MA, where he earned his medical degree. Dr. Krainin completed a fellowship in Sleep Medicine at the prestigious Michael S. Aldrich Sleep Disorders Center of the University of Michigan, Ann Arbor. He is double board certified in Sleep Medicine and Neurology (you can view his board-certifications by clicking [here](#)). In 2013, he was elected a Fellow of the American Academy of Sleep Medicine, an honor reserved for those sleep doctors who have made significant contributions to the field in education, research, and service. Dr. Krainin is a sought-after lecturer and media commentator on sleep health. He is married with two sons and a daughter who are constantly testing his ability to get good sleep.
