If you missed us last week we heard from Keli Coughlin, CEO of the Tom Coughlin Jay Fund. The Tom Coughlin Jay Fund's mission is to help families tackle childhood cancer by providing comprehensive financial, emotional, and practical support. From diagnosis to recovery and beyond, we are part of the team, allowing parents to solely focus on their child's well-being. The

Jay Fund's goal is to

BE THERE for parents facing the unthinkable so they can be there for their families. The Tom Coughlin Jay Fund Foundation was created in honor of Jay McGillis.

Jay was a special young man who developed leukemia while a member of Coach Coughlin's team at Boston College. In the eight months between Jay's diagnosis and the day he lost his battle with cancer, the Coughlin family saw first hand the physical, emotional, and financial strains the illness caused the McGillis Family. After going through

the tragic events with Jay's family, Coach Coughlin vowed that if he ever had the chance, he would create a way to help families with children battling cancer.

Coach Coughlin kept his vow and started this foundation to be there in Jay's honor.

For over 25 years, the Jay Fund has evolved in size and scope. We have helped over 5,000 families and given away over \$15 million in grants helping thousands of families in Northeast Florida and the New York/New Jersey Metropolitan Area. There are so many ways to support with events like: the Wine Gala, Celebrity Golf Classic and the Champions for Children's Gala.

Our Recipient of the Rotary Club of Ponte Vedra Beach's 2022 "Rock of the Community Award" was Ernie Bono who serves as vice president and secretary of the Jay Fund. Proceeds from Mineral City were sent to Tom Coughlin Jay Fund who was designated as the Charity of Choice.

It's time for Back to School with BEAM. A note from **Clare Berry**: "I will be glad to grab donations at the meeting each week, and members can drop off bagged donations at my office (address below). If we are out you can leave them by the door and call me and I'll be sure someone gets them. You can also drop off directly to BEAM Thrift Store details are on the flyer. We only have a few weeks, and this is especially good for parents who are starting to clean out kids' closets to ready for the new year. They often have perfect items to share! Of course, monetary donations are good if members are interested in doing that.

We can take checks payable to BEAM and deliver them with the clothing donations."
