by the Rotary Club of PVB*

It looks like the ladies of TBRCITW had a great time at the beach last week!

If you missed it-stay tuned we are working on making this a monthly activity. Last weeks meeting included getting to

know our new President **Doc Renuart** as he shared stories about his family, careers, travel and his time as member of the Florida House of Representatives. Doc- having been to North Dakota I can tell you the Badlands are incredible and definitely worth a visit. And don't forget about the Theodore Roosevelt National Park! Doc also kicked off

his year by celebrating his lovely bride Tamara by recognizing her as the first Paul Harris designation of his Presidency. Congratulations Tamara! Doc introduced his board and collectively we all sang John Lennon's, 'Imagine'. John Lennon described the song as "an ad campaign for peace", and it is no surprise that his moving anthem is such a beacon for those who long for global harmony. Watch it [here!](#)

## July 21st Program:

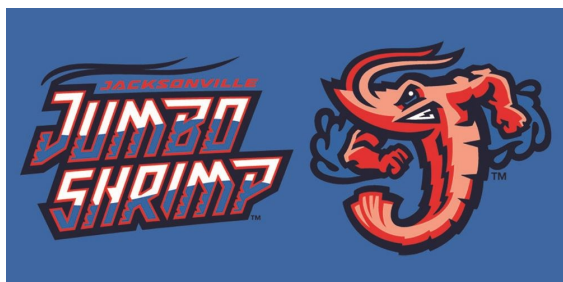

Doctor Tim Conway Ph.D, is a world renowned brain scientist with more than 30 years of clinical research and dyslexia learning disorders, developmental disorders, aphasia and alexia- all conditions associated with difficulties in reading, speaking, comprehension and academic success.

Dr. Conway's lifelong commitment to develop innovative and evidence- based therapies to early intervene or remediate the reading and spelling difficulties of dyslexia stem from his own personal experiences. Dr. Conway was just four years old when he started receiving treatment from Patricia Conway Lindamood who was a world renowned speech language pathologist her and her husband Charles founded the San Luis Medical Clinic in San Luis Obispo, California. As a young man and eager student, Dr. Conway would return to the

Lindamood learning company to become a member of its staff assisting in the development and implementation of additional pioneering intervention programs. He later received his doctorate in clinical psychology with a concentration in neuropsychology from the University of Florida. Dr. Conway's personal experiences and relentless research combined with his role as a clinical research scientist practitioner, would earn him the credentials and reputation as a sought-after expert, scholar and advocate in the field of neuro developmental disorders which includes dyslexia, dysgraphia, dyscalculia, and a myriad of other learning disorders. Dr. Conway continues to expand these innovative, evidence- and research- based programs through the Morris Centers. The centers provide an intensive transdisciplinary approach to the assessment and successful treatment of dyslexia the treatments implemented at the Morris Centers are remediating dyslexic in a matter of months, not years.

*We are Membership Organization that does Service  
not just a Service Organization that has Members*

**It's time for Back to School with BEAM.** A note from **Clare Berry**: "I will be glad to grab donations at the meeting each week, and members can drop off bagged donations at my office (address below). If we are out you can leave them by the door and call me and I'll be sure someone gets them. You can also drop off directly to BEAM Thrift Store details are on the flyer. We only have a few weeks, and this is especially good for parents who are starting to clean out kids' closets to ready for the new year. They often have perfect items to share! Of course, monetary donations are good if members are interested in doing that. We can take checks payable to BEAM and deliver them with the clothing donations."

Jacksonville Jumbo Shrimp Game is this Sunday **July 24th!** This event includes a special seating area in the Skydeck and a buffet dinner from 6pm-7:30pm. Cash bar also available. Tickets are \$40 pp. Barr's Transportation will offer transportation at 5pm from the Target at Marsh Landing Pkwy for an additional cash fee.

RSVP [here!](#)

Let's all continue to send positive thoughts and prayers to Dick and Linda Williams for Dick's speedy recovery!

WISHING YOU A *super speedy* RECOVERY

### July/August Speakers & Events

**July 21st:** Dr. Tim Conway, Clinical Psychologist

**July 24th:** Jacksonville Jumbo Shrimp Game 6pm

**July 28th:** Lorena Inclan, Dir. Public Affairs St. Johns County

**August 13th:** Back to School with BEAM: Interested in helping please see **Sherry Mahoney**. *A great red-badge event!*

**August 27th:** Ecology Day

*\*Board meetings are from 7:30-8:30am and red badgers are encouraged to attend!*

BEAM is holding a clothing drive to collect items that will be distributed at the annual Back-to-School with BEAM event. This event helps up to 800 low-income beaches area children get ready for the new school year.

**Clothing donations should be dropped off by August 6, 2022**

#### **DONATIONS NEEDED:**

Gently-used, SCHOOL APPROPRIATE clothing and shoes for children in grades K-12.

Specifically:

- Boys (sizes 5-18) & young men's clothing
- Girls (sizes 5-16) & young women's clothing
- Polo shirts in white, green and navy blue that may be used for school uniforms
- Accessories (belts, hats, hair accessories, scarves, etc.)
- Gently-used shoes

#### **DONATIONS DROP OFF:**

BEAM's 7 North Thrift Store Donation Center, located behind the store at 318 7th Avenue North, Jacksonville Beach, FL 32250.

#### **MONETARY DONATIONS:**

Prefer to make a monetary donation? These donations will be used to purchase school supplies and new underwear for distribution at the event.

Visit: <https://www.jaxbeam.org/back-to-school-with-beam> to make a monetary donation, and specify "Back to School Fund".

#### **BACK TO SCHOOL WITH BEAM EVENT:**

Back-to-School with BEAM will be held in-person on Saturday, August 13th at Beach Church in Jacksonville Beach. Contact Sarah Rick [sarah@jaxbeam.org](mailto:sarah@jaxbeam.org) to get involved and for more information about the event.
