Rotary Rote Published Weekly
by the Rotary Club of PVB

If you missed us last week– we got your covered! Check out this great group of folks covering our majestic mile this past weekend! Thank you to everyone who came out for Ecology Day! District Governor **Jeff Michelman** visited our club last week and spoke about his rotary journey and even brought a special pair of "Imagine Rotary" socks as a gift for Past President and sock aficionado **Michael Bruce**! As part of his seven days and seven clubs as District Governor Jeff shared news re: membership retention and growth as well as insights into the new polio case in New York. TRF selected District 6970 to be one of 100 international pilot districts to pioneer what was called: Future Vision. Future Vision is today the underpinning of the modern TRF and its breadth of humanitarian programs. Thank you Jeff for all you do for our district and beyond **#ServiceAboveSelf**

Prior to that he worked with the Clay County Chamber of Commerce and before that he lived in the Washington DC area and worked in professional sports and entertainment including stints with the NHL's Washington Capitals and the NFL's Washington Redskins (now Washington Commanders). He is a graduate of Leadership Clay, and Leadership Northeast Florida, as well as the Institute for Organizational Management. He received his degree in American History from the University of Maryland. He lives in St. John's County with his wife, Maria and son, Gabriel.
