Rotary Rote Published Weekly
by the Rotary Club of PVB

If you missed us last week-not to worry! We congratulated **Paul Price** for being named our Rotarian of the Month! Thank you for hosting us for Pfarr's Follies! More kudos to **Byron Miller** who was promoted from red to blue badge! We also heard a great career talk from **Robbie Manners**-thank you or sharing your story with us. We were visited by District Governor **Jeff Michelman** who presented our club with three different awards: #2 in the district for overall giving; 100% EREY; 100% membership giving. Way to go! Those are some impressive accomplishments! Last week was Non-Profit week

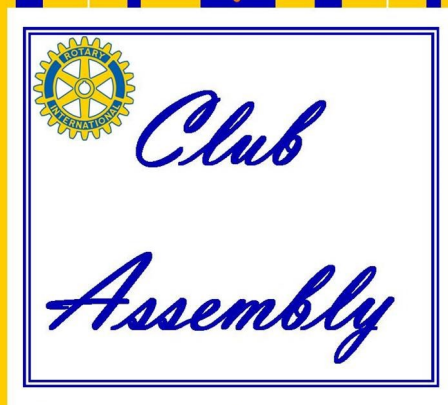

and I think we can agree that we had two fantastic presentations. Our first presenter was former member **Charlie Chacos**, District Executive Director at YMCA of Florida's First Coast. Thanks to a generous gift from the **Brown Family Foundation**, the YMCA in PV is now the **Brown Family YMCA** with plans for a New Airnasium with Basketball Court, Rock Climbing Wall and Turf Training Area, New Pickleball Courts with a Gazebo just to name a few! Our second presenter was **Paul Martinez** President/CEO at Boys & Girls Club of Northeast Florida. Celebrating their 60th Anniversary-on July 25, 1962, Boys Club of Jacksonville was formed and incorporated. Known today as Boys & Girls Clubs of Northeast Florida, they can share that 94% of members are promoted to the next grade level before summer school. 100% of their middle and high-school members have not become teen mothers. 98% of their members have not entered into the juvenile justice system. Their Formula for Impact is a road map ensuring that members achieve their priority outcomes of academic success, good character, citizenship and healthy lifestyles.

December 8th Program

Can you believe that we are almost at the half-way point of our Rotary Year? Join us for our Club Assembly where our President **Doc Renuart** and board members will give updates on their accomplishments and communicate with the club, goals and objectives for the remainder of the year.

We are a Membership Organization that does Service
not just a Service Organization that has Members

Rotary Night at the Jacksonville Symphony

Join us Saturday February 25th at 7:30 for The Queens of Rock & Roll! The Queens of rock, roll, and soul rule the night in this empowering and emotional performance. Tina Turner and Aretha Franklin are two dynamos that put the spirit in Soul and R&B music. Three exciting Broadway vocalists bring classics to the stage like Respect, Natural Woman, What's Love Got to Do With It, River Deep-Mountain High, Proud Mary, and so many others.

Rotarian **Dr. Christine Ng** has secured TBRCITW 30 seats. It may be possible to reserve a few more. If more than 30 tickets are requested, we will begin a wait list. Please check your email for the invitation and click on the RSVP link to respond and reply with how many tixs you would like to purchase. Transportation: We anticipate transportation by Rotarian **Glenn Barr**. Meet the bus at the Target - Marsh Landing parking lot. The cost of the bus is about \$10 per person, but it might be slightly different.

The total cost: \$60 per person. You can pay for the tickets at a weekly Rotary meeting or if you have auto-pay on file with Dionne, you can be charged by the club.

Note: We believe this performance will be very popular and sell out quickly. Please consider no more than 4 tickets per person so that more members may attend.
