If you missed us last week we were visited by Trevor..I mean **President Doc Renuart** who shared his excitement for game this past Saturday! Well whatever your into whether is burning sage, praying, voodoo-magic, rain dancing lets get to it. We have a game to win this Saturday! We also inducted two members into TBRCITW-welcome **Sarah Skeete** and **Ron Neville**. We look forward to getting you know you both!

Past president **Lori Anderson** also helped **Greg Groshan** transition from a red badge to a blue badge. Congratulations-that was fast! Our guest speaker was Lt. Susan Mitchell, USN, who spoke to the club about navigating her career in the Navy.

The first women to serve in the U.S. Navy were nurses, beginning with the "Sacred Twenty" appointed after Congress established the Navy Nurse Corps in 1908. The first large-scale enlistment of women into the Navy met clerical shortages during World War I, and the second came months before the United States entered World War II. President FDR signed Public Law 689 creating the Navy's women reserve program in 1942, which paved the way for officer and enlisted women to enter the Navy. Today, women serve in every rank from seaman to admiral and in every job from naval aviator to deep-sea diver!

## January 19th Program: Allison Reade, Miss Jacksonville

"Allison Reade received her Bachelor of Vocal Performance and Master of Music Education from the University of Florida. She teaches private voice and piano to more than 45 students at the Jacksonville School of Music. She centers her curricula around a concept called self-efficacy, which is the idea that a person believes in their own ability to succeed. Allison is 25 years old and is the current Miss Jacksonville 2022. She founded the North Florida Music Project to aid her fellow music educators who experience severe lack of funding in the public education systems of North Florida. The project aims to provide resources to music programs in under-funded schools and give music educators the support and education needed to provide their students with a quality music education.

The Jaguars on Saturday became the first team in NFL history to win a postseason game losing turnovers 5-0. All five giveaways came in the first half, with quarterback Trevor Lawrence throwing interceptions on four of the Jaguars' first six possessions. The Jaguars scored on every possession after that, with Lawrence throwing touchdown passes on four consecutive possessions and kicker Riley Patterson's 36-yard field goal winning the game as time expired. How did our QB celebrate-by hitting up the Waffle House in Jax Beach of course! The Jaguars head to Kansas City in the divisional round. **#GOJAGS**
