Rotary Rote Published Weekly
by the Rotary Club of PVB

I think we can all agree that last weeks meeting was quite emotionally. We started our meeting with news of **Don Blackburn's** passing which hit us all very hard. Truly an incredible human being who leaves behind a legacy of Service Above Self. In 2010, Don was inducted into the Arch C. Klumph Society, which honors Rotarians who have given at least \$250,000 to The Rotary Foundation. We are all better Rotarians having know Don, that's for sure. You can read his obituary [here](#). **Dr. Wayne Gordon** and **Dick Williams** were able to help us honor and celebrate his life through remembrance and love with lots of laughs which is something we definitely needed. We shared funny moments and beautiful wedding photos. Our resident photographer **Robert Delmar** captured the morning and you can catch all the great pics by clicking [here](#). A big thank you to everyone who helped make our valentine breakfast so special: **Wayne, Dick, MJ, Greg, Julie Robert, Beverly, and Doc**. Thank you!

Chuck Coker is one of America's most sought-after experts in the field of Personal Formation, Emotional Intelligence and Talent Management. His unique slant on how to use "Human Data" in all phases of the employment life cycle have spawned state of the art approaches for maximizing employee engagement and corporate wellness. Validity of the effectiveness of his processes have been documented by University research studies on multiple continents. Chuck is licensed to administer over 250 assessment profiles and has created over 50 instruments for human factor analysis. His latest offerings are to measure Conflict styles and Trustworthiness. This background was the reason for forming

LifeThrive Performance Systems, Inc. in 1993. He presently has locations administering his materials in Florida, Virginia, Missouri and the United Kingdom. He is Past Chairman of the President's Council for the National Speaker's Association, Past President of the National Speakers Association (North Florida) and was voted their "Speaker of the Year" in 2000 – 2001. In 2016 he delivered his first TedTalk on how to use People Metrics to mitigate risk in the work environment of manufacturing and industrial based companies. In addition to speaking and developing America's top businesses, Dr. Coker has served as Department Head at Westminster (UK) and lectured on human metrics in prestigious educational institutions like Auburn, Harvard, Cambridge, Moscow State University, the University of Chester and University of Wolverhampton. Additionally, Dr. Coker founded a non-profit 40 years ago to teach Olympic TaeKwonDo to those who could not afford commercial schools. To date he has trained 63 Junior Olympians, 4 Olympic qualifiers and oversees 10+ schools in three states.

Rotary Youth Leadership Awards

Don't forget we are looking for high school students who have completed their freshman or sophomore year for RYLA.

RYLA (Rotary Youth

Leadership Awards) is a Leadership Conference held annually. Our clubs selects two students to send and our club pays the student registration fee, so the conference is free to the students. This year RYLA will be a three part series led by our amazing past president **Michael Bruce!** The series kicks off March 25th. Get involved!

Its time to start thinking about nominations for the 31st Annual Local Heroes Awards. Presented each year, the Local Heroes Awards

recognize individuals who give back to the community and reflect the spirit of the Rotary Club's motto, "Service Above Self." From volunteering with local charities to giving back through the arts, education, environmental protection activities and more, the Rotary Club of Ponte Vedra Beach and The Recorder seek to recognize the "unsung heroes" who make Ponte Vedra such a special place to live, work and raise a family.
