If you missed us last week-we heard from one of our members **Brandon Forschino**, who shared his experiences traveling to Spain to document a pilgrimage along the Camino de Santiago, which culminates at the cathedral of Santiago de Compostela, built on the

purported burial site of the apostle St. James. Legend has it that the remains of the Apostle St. James the Great were buried in the Cathedral and discovered by a shepherd in the 9th century. Due to the enduring popularity of the Camino de Santiago and the many Camino routes, they have been listed as an UNESCO World

Heritage Site since 1993.

Check out the crew who attended the Symphony event this past Saturday!

I heard the performance was simply outstanding. Thank you to everyone for helping to coordinate such a fun night.

March 2nd Program

Jared Rice is currently the Executive Director for THE PLAYERS Championship as well as the Senior Vice President of Tournament Revenue at the PGA TOUR.

In his role as Executive Director of THE PLAYERS, a position he has held since January of 2017, Rice oversees all aspects of the PGA TOUR's flagship event, from sales, marketing and operations to community and charitable outreach and support. Rice joined THE PLAYERS team in 2010 and served as the championship's Vice President of Sales and Marketing and Senior Director of National Sales, where he was instrumental in growing THE PLAYERS' revenue in order to maximize its economic and charitable impact on the community. Over the

past 40-plus years, THE PLAYERS has generated more than \$100 million to support non-profit organizations in communities within the five-county area (Baker, Clay, Duval, Nassau, and St. Johns counties). Prior to THE PLAYERS, Rice worked for four years in various roles at the PGA TOUR, including Business Development and Global Licensing. While in these positions, Jared oversaw development of PGA TOUR Licensing programs worldwide and assisted with the sale of PGA TOUR Title Sponsorships and Official Marketing Partner Sponsorships.

A native of Portsmouth, New Hampshire, Rice graduated from the University of South Carolina with a degree in Sports Marketing and Business Administration. Before joining the PGA TOUR, Rice held various marketing roles with the Walt Disney Company during their ownership of the Anaheim Angels and Mighty Ducks as well as the Detroit Red Wings organization. Rice lives in Ponte Vedra Beach with his wife, Sheila, and their two sons, Brady and Nolan. He is actively involved in the Northeast Florida community, where he serves on the boards of Wolfson Children's Hospital and JAX Chamber and is also a member of the JAXUSA Policy Council.

not just a Service Organization that has Members*

OK FOLKS.... LAST CALL!

To join us for a VIP Bourbon Tasting event at the St. Augustine Distillery at

12:30pm on Sunday March 19th. Phillip McDaniel's visit to our club inspired the idea of a visit for many of us. The group will be small as they can only take 18 people. Due to the size, there will be no bus service. The tasting goes for 1 hour and leaves you plenty of time for lunch or another tour in St. Augustine afterward. Cost is \$30 per person.

It's time to start thinking about nominations for the 31st Annual Local Heroes Awards. Presented each year, the Local Heroes Awards

recognize individuals who give back to the community and reflect the spirit of the Rotary Club's motto, "Service Above Self." From volunteering with local charities to giving back through the arts, education, environmental protection activities and more, the Rotary Club of Ponte Vedra Beach and The Recorder seek to recognize the "unsung heroes" who make Ponte Vedra such a special place to live, work and raise a family.
