We hope everyone had a great week last week! Whether you enjoy all that TPC has to offer or not-we can all agree that the weather was amazing! We were visited by Jared Rice, ED of The Players. He shared some updates and insights into what was getting a refresh this year at the tournament. I can tell you from

personal experience-hospitality this year was off the charts. We had a great time and literally never waited in line for anything which I remember was a hot topic during his visit. We also heard a craft talk from red badger,

**Zach Gordon**. Thank you! We also had a new member induction by **MJ** and **President Doc Renuart**. Welcome back and congratulations to **Chris Thompson**. So happy to have you back at TBRCITW! Speaking of TBRCITW can you spot the acronym

on **Bethany's** t-shirt? Rotarians prepared and served dinner to organ transplant and cancer patients last week at the Mayo Clinic's Gabriel House of Care. A big thank you to **Danielle Hardner** for coordinating such a wonderful opportunity to serve our community. Don't forget Rise Against Hunger is March 25th!

## March 16th Program

In June 2022, Melissa Nelson was named President and CEO of United Way of Florida, a collaborative organization that serves Florida's 28 local United Ways and is part of the United Way Worldwide global network. Prior to joining UWOF, she was President and CEO of United Way of St. Johns County which serves Putnam and St. Johns County. During her 9 years with UWSJC, Melissa became passionate about the mission of United Way and the power created when residents, businesses, government and nonprofits come together to meet the most pressing social service issues in our local communities. Prior to working with United Way, her background in nonprofit management includes experience working with local Chamber of Commerce organizations in Florida and Pennsylvania; and within the professional association setting with the American Institute of Architects and the Orange County Medical Society both in Orlando, Florida. Growing up on Amelia Island and spending most of her adult life in, and around, St. Augustine, Melissa is a confirmed beach lover and, as a graduate of the University of Florida, she remains a Gator fan regardless of her home address. She and her husband Brad are parents to 25-year-old twins.

Its time to start nominations for the 31st Annual Local Heroes Awards. Presented each year, the Local Heroes Awards recognize individuals who give back to the

community and reflect the spirit of the Rotary Club's motto, "Service Above Self." From volunteering with local charities to giving back through the arts, education, environmental protection activities and more, the Rotary Club of Ponte Vedra Beach and The Recorder seek to recognize the "unsung heroes" who make Ponte Vedra such a special place to live, work and raise a family. **PP Billy Wagner** is funding a project to renovate the exterior Landscaping of Mission

House. From **Billy**: I would love if we could invite the members in the Rote to join us on March 23rd for a 3-hour shift to help with installing Rock and Mulch. We also need to borrow shovels, rakes, blower, and a wheel barrel if possible. We need help from 9-12 and 12-2. Please help us clean up a great non-profit at the Beach!
