Lots going on with TBRCITW so let's get to it. We heard from a wonderful lady last week if you missed us. Melissa Nelson, CEO of United Way of Florida. She shared updates about her position and also some pretty timely stats from the ALICE report. Thank you! We have a Rotary/Rotaract Beaches Habitat Build scheduled for Saturday April 15th and only have a few spots available for our club. Sign up [here!](#) We also have Meals Of Hope (Rise Against Hunger) at Beachside High School, March 25th from 1pm-3:30pm. Join Interactors, Rotaractors and Rotarians from all over District 6970 as we package 100,000 meals

to help fight food insecurity in the local District 6970 communities. As part of the Mineral City Celebration silent auction, we will once again be holding a wine pull: For a \$20 donation, guests get to pick a numbered cork and take home the corresponding bottle of wine-but we need your wine so don't forget to bring it Thursday to our meeting and give to **Lorraine Dorsa**.

Speaking of libations-look like **Byron** and the **Drakes** were having a great time last week at the Bourbon tasting at the St. Augustine Distillery. Thank you **Beverly** for coordinating!

Chef Scott Alters is the culinary mind behind the beloved Rue Saint-Marc, located in Historic San Marco. Chef Alters is responsible for creating one of the most progressive menus on Jacksonville's First Coast.

As Executive Chef & Co-Owner of Rue Saint-Marc, Chef Alters focuses on serving ingredient-driven meals to his guests. Through his many travels and studies, Chef Alters has elevated Jacksonville's food culture with an uncompromising commitment to handmade creations through traditional craftsmanship practices.

Located at the entrance to the historic San Marco Square, Rue Saint-Marc brings the classic bistro warmth to this iconic area of Jacksonville. A craftsman's approach to detail embodies all aspects of Rue. From the hand-made tables, the artfully presented cuisine and cocktails, to the welcoming hospitality. The feel of the room creates the perfect environment to gather with friends and enjoy a truly pleasurable experience.

Its time to start nominations for the 31st Annual Local Heroes Awards. Presented each year, the Local Heroes Awards recognize individuals who give back to the

community and reflect the spirit of the Rotary Club's motto, "Service Above Self." From volunteering with local charities to giving back through the arts, education, environmental protection activities and more, the Rotary Club of Ponte Vedra Beach and The Recorder seek to recognize the "unsung heroes" who make Ponte Vedra such a special place to live, work and raise a family. PP Billy Wagner is funding a project to renovate the exterior Landscaping of Mission

House. From **Billy**: I would love if we could invite the members in the Rote to join us on March 23rd for a 3-hour shift to help with installing Rock and Mulch. We also need to borrow shovels, rakes, blower, and a wheel barrel if possible. We need help from 9-12 and 12-2. Please help us clean up a great non-profit at the Beach!
