

CREATE HOPE in the WORLD Rotary

Club Ponte Vedra Beach

Invocation:

George McCaughan

Pledge:

Beverly Flanagan

If you missed us last week TBRCITW our club got better with the induction of new member **Tom Kastner**. Congratulations Tom we look forward to getting to know you! We also heard from Adam Renfro, Tournament Director for Constellation FURYK & FRIENDS presented by Circle K. We are looking forward to our Rotary day out at the tournament on the 6th. Rotarians can meet for the 11am Circle K water taxi from the Winston Family YMCA

(111 Riverside Avenue). They have beverages at the dock and on the boat. It drops you off right behind the clubhouse! From there, the PartyPorch on 7 is a great spot to meet for fellowship or the Publix tailgate village. The water taxi leaves the Bold City Gate every 30 minutes. Members of several Beaches community service organizations observed Celebrate Community Week (Sept. 11-17) by conducting a joint food drive to benefit Beaches Emergency Assistance Ministry (BEAM). Participating clubs included the Rotary Club of Ponte Vedra Beach, Rotary Club of Jacksonville-Oceanside The Exchange Club of the Jacksonville Beaches and

the Jax Beach Lions Club. Working together, we can accomplish great things for our community! Don't forget to be on the look out for a sign up for **Connie Green's** Cocktails and Croquet. It's a fun filled day of croquet an conversation! White/cream colored attire is required. Appetizers and soft drinks and water will be provided; players are welcome to bring their preferred libations. *More details to come!*

September 21st Program:

Prudence Hostetter grew up in NJ. She is a middle child and was often told that she would marry and raise a family (and not necessarily work). After obtaining her BA at Boston University, Prudence eventually landed in Chicago as a Systems Analyst and an Asset Loan Officer. She stayed about 6 years before she moved East, taught high school, and learned to fly. She was 29 years

old. Despite being too old to join airlines, she continued to fly, eventually becoming a pilot for American Airlines!! She flew for 24 years! Imagine the challenges Prudence came across working for a male-dominated industry.
