If you missed us last week we heard the news that Mr. Sunshine himself will be out for a short medical leave in the coming days. We are sending **Bruce Barber** all the sunshine and hopes for a speedy recovery! We also heard from Past President **Sam Hall** who recently attended a Rotary membership summit. He brought back some great news regarding our retention and attrition rates. Its important to know so we can continue to grow in the right direction and be TBRCITW. Our guest speaker was a fellow Rotarian **Dawn Alexander**, Senior Portfolio

Manager, Associate Vice President at Morgan Stanley. Dawn works closely with clients to develop financial plans that highlight their values, their multi-generational goals, and ultimately, allow them to create their legacy. She shared great insights about the market trends and answered questions from the club.

Our Club Foundation is looking for a strong Treasurer. If you know someone who would make a great candidate please contact **Billy Wagner**. It's time for the Rotary Club of
