

CREATE HOPE in the WORLD Rotary

Club
Ponte
Vedra
Beach

Invocation:

Lori Anderson

Pledge:

Dick Williams

If you missed us last week we congratulated the committee for a great MCC event. Thank you to every member of TBRCITW for making it a huge success! Past President **Billy Wagner** spoke to the club about the foundation grant process and the exciting news on the horizon for the club's foundation. Billy along with this executive board are working towards having the foundation endowment reach \$1 million in our lifetime. Billy was also recognized as the Rock of the Foundation for his recent major gift to inaugurate the effort to grow our club's foundation endowment. More to come!

Don't forget the PVB Rotary Foundation's grant applications for 2024 are open! You can submit your applications until

May 31st, 2024. All submissions are electronic. Just click this [link](#) and fill out the information requested. The foundation plans to conduct the selection process in late June-if you or an organization submits a grant be on the lookout for a response by July 5th. Successful applicants can expect to receive their grants starting July 11th.

Our guest speaker was St. Johns County Administrator **Joy Andrews**. Her robust presentation concentrated on four areas of focus: Growth/Financial Stewardship/ Open Governance and Economic Resiliency. St. Johns County is the 4th fastest growing county in the US. In addition to its growing population, the county is experiencing economic growth through its strategic location and competitive business climate. Lets hope SJC will continue to grow in a smart, sustainable way for residents to continue to enjoy the quality of life we have enjoyed for so many years.

April 25th: Program: Dr. Brennan Asplen

This week's speaker will be St. Johns County School District Deputy Superintendent Dr. Brennan Asplen, who will discuss upcoming school-related ballot initiatives.

As deputy superintendent, Dr. Asplen oversee the school district's Operational Services department, which includes such key functions as facilities maintenance, transportation, information technology, planning and governmental relations.
