If you missed us last week we recognized **Lorraine Dorsa** for her generous donation to the Rotary Foundation. Since it was founded more than 100 years ago, the Foundation has spent more than \$4 billion on life-changing, sustainable projects. The Rotary Foundation helps Rotary members to advance world understanding, goodwill, and peace by improving health, providing quality education, improving the environment, and alleviating poverty. Thank you to **Andre Green** for sharing updates on the clubs activity this year. Guest speaker this week was Vicky Oakes, an elections professional with more than 35

years of experience conducting elections in SJC. Vicky has served as the Supervisor of Elections in SJC for the past 12 years, and previously served as the Assistant Supervisor of Elections for 23 years. She shared that her and the Elections Office staff continue to work with local, state, and federal partners to secure cutting edge technology and ensure SJC Elections remain transparent and secure. Their state certified voting equipment is tested before each election with a public Logic & Accuracy test to verify the tabulators are counting votes accurately. Elections office staff and poll workers belong to different political parties and have diverse backgrounds. Starting this year, election results will be 100% verified after each election utilizing their new Clear Ballot Auditing System.
