

CREATE HOPE in the WORLD Rotary

Club Ponte Vedra Beach

Invocation:

Jim Browning

Pledge:

Jep Barbour

This past week members of TBRCITW participated in the highly successful 'Beyond The Business Card'. Facilitated by President Nominee **Chris Eckols**, this is an opportunity for members to connect and view to networking not as a complex web of transactions, but as a supportive community, one that enriches both our professional and personal life. At its core, networking in leadership is about building relationships that transcend transactions. It's the art of cultivating connections

that go beyond the exchange of business cards—it's about creating a rich, dynamic tapestry of relationships that go... beyond the business card. Thank you **Chris!** **Jenn Kjellman** and her husband James were able to spend some much awaited family time together with their new boys last week. Thank you to everyone who continues to send prayers to the Kjellmans—they are so appreciated. There will be information for a meal train for the growing family once they are all home and settled so be on the lookout for the signup.
