## October 10th Program: Cancelled. Stay Safe Everyone!

If you missed us last week we congratulated **Tim Crosby** and **Danielle Hardner** for being our Rotary Rockstars! We also presented Paul Harris pins to **Joey Duncan** and **Susan Mack**.

Thank you for your commitment! We heard a very informative craft talk from **Joni Zwick** who shared details surrounding her new venture. Cereset uses brain-initiated sound to relax the brain and allow it to reset, restore harmony, and free the mind from a "freeze" or "fight-or-flight" state. Cereset guides the brain itself naturally without outside intervention. Cereset is safe, fast, and effective usually requiring only five office sessions of approximately one to two hours each, and periodic "tune-ups" as needed, to provide your brain with ongoing support. Thank you Joni!

Our guest speaker this week was Dr. Alistair Dove, the newly appointed CEO of MOSH. He spoke to the club about MOSH Genesis. The new museum will be a

physical extension of their mission—a campus that inspires the joy of lifelong learning in every element of its design, and brings to life the sciences and regional history through captivating experiences that only MOSH can deliver. We are so excited to see the progress on the Northbank and can't wait to visit!

Join us October 12th for an afternoon of Croquet & Cocktails, from 3:00-5:30pm, at The Ponte Vedra Croquet Club! Player fee \$25. Includes croquet lesson & game play, cocktails & catered hors d'oeuvres. Special Tribute & Toast at 5:00pm. Must wear all white! Spots are limited. For details and to sign up click [here!](#)
