Invocation:

Sara Coryell

Pledge:

Doc Renuart

We are back and hope everyone fared well from Milton. If you missed us last week we congratulated **Tim Crosby** and **Danielle Hardner** for being our Rotary Rockstars! We also presented Paul Harris pins to **Joey Duncan** and **Susan Mack**. Thank you for your commitment!

Our guest speaker was Dr. Alistair Dove, the newly appointed CEO of MOSH. He spoke to the club about MOSH Genesis. The new museum will be a physical extension of their mission—a campus that inspires the joy of lifelong learning in every element of its design, and brings to life the sciences and regional history through captivating experiences that only MOSH can deliver. We are so excited to see the progress on the Northbank and can't wait to visit!

the FUTURE

October 15th Program:

J. Roger Mentz served Assistant Secretary of the Treasury for Tax Policy from mid-December 1985 through July 1987. He was appointed by Ronald Reagan, confirmed by the U.S. Senate and served under Treasury Secretary James Baker. In this position Mr. Mentz was the principal spokesman for the second Reagan Administration on all tax policy matters. Mr. Mentz played a key role in the enactment of the Tax Reform Act of 1986, the most important domestic legislative priority of the second Reagan Administration. The revenue-neutral law reduced the top income tax bracket for individuals from 50% to 28% and was generally regarded as substantially improving the U.S. Internal Revenue Code.

Before joining the Treasury Department, Mr. Mentz headed the tax department at the Wall Street law firm of Mudge Rose Guthrie and Alexander. Following his Treasury Service, he practiced law in Washington, D.C. Mr. Mentz is a graduate of Princeton University and the University of Virginia School of Law. He and his wife, Marilyn, are residents of Ponte Vedra Beach.
