If you missed our last meeting we heard a great craft talk from **Sara Coryell**. Thank you for sharing your story with us! President Elect **Chris Eckols** or “Captain Eckols” I should say shared the theme for the 2025 Mineral City Celebration.

“Concourse D’Rotary” will be held at the North East Florida Regional Airport terminal building on April 5th. This evening of aviation will encompass all things surrounding luxury and exotic travel. So get ready to dust off your Sunday drivers, super cars, or vintage autos - the “Rock” this year? Brian Sexton! Our guest speaker was Roger Mentz, the former Assistant Secretary of the US Treasury for Tax Policy during the Reagan administration. He spoke to the club about his days working with President Reagan and the current status of tax reform on the cusp of the upcoming election. A big thank you to everyone who attended World Polio Day Game Night at the Beaches Museum! What a great way to celebrate and enjoy a night of fun and fellowship, Find some pics on page two.

October 31st Program:

Scott A Grant, a member of the Rotary Club of Ponte Vedra Beach, owns Standfast Asset Management and currently oversees more than \$100 million in private stock portfolios. Scott studied economics and history at Cornell University before working on Wall Street. He later earned a law degree from Rutgers University. Born in Scotland to a presbyterian minister, Scott is a natural born storyteller who has tracked down some incredibly entertaining bits of facts and legends that have made him a statewide demand at museums, schools, senior communities, and civic clubs. He delights in local Florida history and nobody has more great tales about Northeast Florida. Over the years he has been a regular columnist in a couple of local newspapers and has written two Books: Jax Pop History and The Merchant of Death is Dead. Since it is Halloween, Scott will be sharing ghost stories and tales of haunted houses on the First Coast.
