President 2024-25
Stephanie A. Urchick
Rotary Club of McMurray
Pennsylvania, USA

*Rotary Rote Published Weekly
by Toni Boudreaux-Godwin
of the Rotary Club of PVB*

If you missed us last week we heard from the Secretary of our board, **Lorriane Dorsa**. She said some information regarding the status of our situation at Marsh landing as well as how our finances are shaping up for the end of year. More on this at or upcoming Club Assembly. A great pic of Past President **Sam Hall** who just recently returned from Cambodia. We can't wait to hear about your trip! Guest speaker this week was one of our very own! Paat President **Vickie Cavey**, CEO of JEA spoke to the club. JEA is not owned by investors. It was created by the City of Jacksonville as a municipal utility to serve those who live here and in the surrounding communities. The sole purpose of JEA is to ensure the electric, water and sewer demands of our customers are met, both today and for generations to come. Our goal is to provide reliable services at the best value to our customers while ensuring our area's precious natural resources are protected. Approximately half of JEA's electric revenues come from its residential customers, the other half from our 50,000 commercial and industrial customers. The commercial and industrial market segments also account for about one-third of the water and wastewater revenue. JEA is not subject to the same state regulations as investor-owned utilities. They are, however, regulated in certain areas of environmental and health matters, power plant location, electric safety and electric rate structure matters.

December 12th Program:

Club assemblies offer an opportunity for us to exchange ideas and share information about issues that are important to our club members.

We encourage all members to attend, but especially new members. Join us for our club assembly this

Thursday. There is no formal program but we will conduct club business such as having our club directors report on their projects and discuss upcoming club initiatives.

Mark your calendars for a meet up at Jekyll Brewing Co. in Jax Beach on 12/16. We will meet at 7pm-plan on enjoying the display and afterward, enjoy a cocktail. No sign up needed. *Just come!*
