If you missed us last week at the Link not to worry! We heard a great career talk from **Gonzalo Villamizar** about his life and career, which includes writing jingles and music for such brands as Mobil, Dunkin Donuts and

Coca-Cola and overseeing live productions for the World Bank Valentines Program: Our guest speaker was Link founder

Ragu Misra, who gave an interactive presentation about the future of the area and smart growth. The Link offers premier coworking space including private offices, floating desks, meeting rooms, community space, and event space for people

of all ages to Learn-Play-Think-Do! A BIG thank you to **Lorraine Dorsa** for hosting a wonderful evening this past Saturday. Enjoy great pics from the event! March your calendar to join us for a member recruitment happy hour at Beach Bowl March 5th from 5-7pm.
