THIS IS BIG!

Join us in recognizing & congratulating our members Sunny Mulford & Ken Mulford, directors of EPIC-cure.

Governor DeSantis has signed the 2024-25 state budget securing \$1.5 million for a permanent warehouse facility in St. Augustine to address food insecurity in northeast Florida.

We couldn't be prouder or more thankful for what this means for our local and surrounding communities.

Epic-Cure's major funding source for a permanent operations facility in St. Augustine has come through!

Yesterday, Governor DeSantis signed into law the 2024-25 budget. Epic-Cure's request for \$1.5 million for a permanent warehouse facility in St. Augustine survived in the bill, and we are all grateful for this important step to maintaining and growing our impact on food insecurity here in NE Florida.

We wish to thank the support of Mark Bailey Sr., Frank and Tracy Mayernick, Sen. Hutson, Rep. Bobby Payne, and Speaker Renner for sponsoring this important request through the entire legislative process.

The hard work has only just begun, but we cannot wait to get at it right away!

The Founders thank everyone for their support - our volunteers, sponsors, donors and patrons!

Thank you, thank you, thank you!

All the Best,
Sunny & Ken
