Happy Sunday Oceanside family! I hope everyone is having a wonderful weekend. Mine got off to a great start today with the District 6970 Membership Summit in Palm Coast! What a great morning of Rotary fellowship and education.

The Membership Summit exceeded all my expectations. There were sessions on Getting your Club excited about Membership; Innovation and Membership Strategies; and Making Membership Growth Actionable. There were panels made up of leaders from clubs in our district that have had tremendous success in growing their membership through implementing creative and focused strategies. Why is growing membership important? It is critical to grow so that we can continue to expend the good that Rotary does in the world – both internationally and here in our beach community! Some of the clubs in our district shared many great ideas on growing membership and provided actionable steps that have proved successful in their clubs. But at the end of the day – we need you to help us grow. We all came to Oceanside because someone that we know, like and trust invited us to check it out.

It is not only important that we grow but also that we retain our members once they join. Did you know that 10% of new members quit within one year of joining and 52% within 3 years of joining? Engagement is key to preventing this. For this reason, we always strive to make sure you have many different types of opportunities to get involved in our Club. Whether it was your passion for service, desire for fellowship, or the opportunity to learn from great speakers that drew you to Rotary – we want to be sure to continue to offer opportunities to be engaged in our Club and the beaches community. Our upcoming Cornhole for a Cause on February 11th is such a great opportunity for you to engage. It will offer the opportunity to serve, socialize and raise money that we can give back to our community. Be sure that you have checked out the volunteer opportunities on NeedsConnector and sign-up where you can and please continue to encourage friends, neighbors and co-workers to sign-up to play or just to come and experience the fun as a spectator! Keep selling those raffle tickets and reach out to

Hello Oceanside Rotarians!

We're on the two-week countdown for our Cornhole for a Cause Fundraiser! Please see the NeedsConnector link in the bulletin to sign up to help on the day of the event. The Event Committee has been working so hard for months planning and preparing, we really need all hands on deck to ensure its success! This coming weekend, Oceansiders can support the community and a cause by helping at a water station during the Donna Marathon. I'll be running past along with our awesome President Wendy! If there are any other Oceansiders planning on running, please let us know! I hope you all have a wonderful Sunday!

Kim
