Cornhole for a Cause SUCCESS!

WOW! What an amazing event and did we ever get lucky with the weather?! Stay tuned for final numbers on total amount raised for local charities and pictures from this great event. A HUGE thank you to the Cornhole Committee for the months of work on this signature event: Charlene Shirk, Carol Chiang, Elizabeth Fell, Liz Prophete, Jackie Smith, George Garcia, William Huff, Doug Brown, Wendy Ranson, Rosemary Takacs and our dedicated, inspiring Committee Chair, Raymond Joseph!

President's Message

Sunday, February 12, 2023

Happy Super Bowl Sunday Oceanside family! I must admit that this year I am more interested in the commercials and the half-time show than the game itself. And of course – there are always the snacks...

As I write this, I am reflecting back on another successful Cornhole for a Cause tournament! I hope you didn't miss it because this year's tournament was bigger and better than ever. It was such a great time! Did we ever get lucky with the weather?!?! The set-up crew got a little soggy but thankfully the rain cleared just in time for the tournament and held off long enough for The Good Guys to claim the victory. Congratulations to them on a hard fought win and to the second and third place teams – Miller Electric and The Jewells. It was the 3rd annual tournament and the third year that the Jewells have taken home one of the prizes! Congrats also to all the raffle winners – what great prizes!

I look forward to seeing you all bright and early this Tuesday morning for more Rotary fellowship and another great speaker! What a fabulous way to kick off your Valentine's Day. Also, be sure to mark your calendar for our February 28th meeting where we will welcome the Beaches Teachers of the Year. We want to have a good turnout to celebrate these inspirational educators who are doing so much for the students in our community!

Yours in Rotary,
