President's Message

Hello Oceansiders!

Greetings from the District 6970 Conference at UNF. This annual meeting is a wonderful source of ideas and information to help enhance both your individual Rotary experience and to build a more vibrant, irresistible Club. Much of the value comes from discussions with other Rotarians from around the District. Think about attending next year's conference.

May and June will help us wrap up an exciting year for our Club. We have been joined by a number of new members, had a banner year of fundraising to support our community and international projects and enjoyed a variety of social and service activities to enhance our Club fellowship. Thanks for all your help and engagement throughout the year! See you Tuesday!

Ken

This Week's Speaker: Juan Daniel "Danny" Pulido, M.D.

He is a native of the Jacksonville area and also did his training here at the University of Florida in Jacksonville. He currently serves as Medical Director for many organizations including Baptist Beaches Hospital Pulmonary & Critical Care, Dolphin Pointe Rehab and Jacksonville University Master of Science in Respiratory Care and Ocean Rescue for Jacksonville Beach Volunteer organization.

Memorial Day Service Opportunity

Beaches Community Kitchen

Come help prepare meals at the Beaches Community Kitchen. We relieve the regular volunteers so they can enjoy a day off. We cook at Beach Church (on 3rd between BEAM and Dairy Queen) from 8-11. Always a fun time.

Neon sign-up is good, you can also email or call Joan directly. <https://oceansidejaxrotary.app.neoncrm.com/nx/portal/nonevents/events#/events/1418>
