President's Message

I am looking forward to seeing everyone this Tuesday morning for our meeting this week at ABBQ! I am happy to have the first meeting of the 24-25 Rotary year as an Oceanside family affair. Our warm-up presentation is our own flag committee and the featured speaker is our own Emme Devonish. Help us support our own members and learn a little more about what Emme does outside all the hard work she does for our club.

July in Florida is truly not for the faint of heart, and this one has not disappointed in those areas. I hope everyone is able to appreciate all that the beaches have to offer while staying safely hydrated and cool whenever possible. It's only a little over 2 months until fall!

Remember, as I said above, there is a meeting this week! We will have a flag presentation and our very own Emme Devonish as our speaker!

Yours in Service,

Rebekah

Mission House Water Bottle Drive

The summer is heating up for all of us, including our vulnerable homeless population. Mission House is always collecting donations to help their clients and this summer, you could have a win/win by cleaning out all those plastic water bottles & insulated cups that are filling up your cabinets!

Bring in your spare bottles to our meeting on July 16 and new member, Fred Richards, will take them in to Mission House on behalf of the club!

No water bottles handy? Mission House is always in need of other items- you can call them at (904) 241-6767 to find out the items most needed now
