Hello Oceanside family - I hope everyone had a wonderful week! I am writing this from the Vibrant Club Seminar in Palatka. What an amazing day of Rotary education and fellowship. I am always blown away when I attend district and national Rotary events. The breakout sessions provided opportunities for training and growth strategies for our club in the areas of

Foundation, Public Image, Leadership development and in Membership. The Membership sessions were fabulous and led by our own Mary Stutts. The on-point message was that we need to Grow More so that we can Do More and Share More! With this in mind – the focus of our Club Assembly on 8/30 will be membership. We are lucky to have a terrific membership committee made up of Grace Allen, Chris Hoffman and Mary Stutts so mark your calendars for the Assembly!

The Vibrant Club Seminar also was the opportunity to present the awards for achievements during last Rotary year and as usual Oceanside was well-represented. We received awards for both total member and net member growth as well as public image. Congratulations to Past President Cathy Hagan for leading us to such great results!

The Seminar concluded with a reminder of the Power of Rotary. Julia Kalinski, a member of the South Jacksonville Rotary club originally from Ukraine spoke passionately about the “Human Side of the Conflict in Ukraine” and DGE John Tabor updated us on what District 6970 has done and is continuing to do to help Ukraine. Once again – I felt so proud to be a Rotarian and part of a larger group working to make our world a better place!

REMEMBER – NO REGULAR MEETING THIS TUESDAY MORNING.

Instead, join us on Tuesday evening at Rhoda Martin Cultural Heritage Center for our Back to School Social. Don't forget to bring a book or two to help re-stock our Little Libraries. I look forward to seeing y'all there!

Yours in Rotary,

Wendy

Good morning Oceanside Rotarians!

I've had a couple people reach out for clarification on our meeting schedule going into our new Rotary year. The Board felt it would be nice to move to an every other week meeting format with a social or service event scheduled in the off weeks. The meeting dates will always be in the DACdb calendar, and we will also put reminders in the bulletin each week. We do NOT have a meeting this Tuesday! Here is our meeting schedule through September:

8/23: Back to School Social

8/30: Regular Tuesday Meeting (Club Assembly!)

9/6: NO Meeting

9/13: Regular Tuesday Meeting

9/20: September Social

9/27: Regular Meeting

Please reach out if you ever have questions about the meeting schedule ~ I hope you all are having a wonderful weekend!

Kim
