President's Message

By Wendy Ranson

Sunday, September 11, 2022

Good morning, Oceanside family. I hope everyone enjoyed the Labor Day holiday and had the opportunity to spend some quality time with family and friends. Hopefully you enjoyed your Tuesday morning off from our regular meeting. But not everyone had Tuesday morning off – our awesome Corn Hole Committee is hard at work planning this year's tournament and they had a productive meeting to kick off the planning. Stay tuned for more details to come over the next few months as we gear up for our second largest fundraiser of the year!

This message comes to you on September 11th. I hope you will all take a moment today to reflect in honor of the almost 3,000 people who lost their lives in the terrorist attack on 9/11/2001. Thank you again to all of our flag teams for the getting our flags out and leaving them out through 9/11 to help our beach community honor those we lost on that difficult day.

Even the smallest act of service,
the simplest act of kindness, is a
way to honor those we lost, a
way to reclaim that spirit of unity
that followed 9/11.

Good luck to everyone's favorite college team this weekend and good luck to our Jaguars as they open the season on Sunday! With World Polio Day coming up next month, don't forget Rotary's partnership with the Jaguars. We hope to have a large group attending the game on November 6th so that we can help raise funds to eradicate Polio. Be sure to get your check to Joe Luranc if you want tickets to attend with Oceanside. It should be a fun time and you don't want to miss out!

I am looking forward to seeing everyone again and listening to another amazing speaker on Tuesday morning at ABBQ. Hope to see you all there!

Yours in Rotary,
Wend
