President's Message

By Wendy Ranson

Sunday, September 18, 2022

Happy Sunday Oceanside friends! I hope everyone had a fantastic week. I know I did – I survived another tax deadline, and I am not going to lie that it is not getting any easier! This Rotary year is just flying by, and I can hardly believe that we are approaching the end of my first quarter as President?!? Where has the time gone? What a great speaker this week! For those that missed it – Laura Lasko,

Executive Director of Girls on the Run of Northeast Florida, inspired us to follow their lead and help empower girls in our community. This is a cause near to my heart and an initiative of past Rotary International President Shekhar Mehta. Such a positive message to kick off the day! I love it when our Rotary focus blends so perfectly with a great organization in our community!

At Tuesday's meeting, DG Jeff Michelman laid down a membership challenge between our club and the Rotary Club of Orange Park. The club that brings in the most new members will win a bottle of Angel's Envy bourbon. I am sure we have a few bourbon drinkers out there who could appreciate that! And for those non-bourbon drinkers in the group (myself included) – I will throw in a couple bottles of wine if we win – so that we can celebrate the victory together. So look back over those index cards from our Membership Club Assembly and start inviting those potential members to a meeting!!

Don't forget – **NO REGULAR MEETING this Tuesday morning**. Instead, I look forward to seeing most of y'all at Lynch's on Tuesday evening for what promises to be another fun Oceanside social! And be sure to sign up and get your tickets for our Jags game on November 6th!

Yours in Rotary,
Wendy
