How we Help

I feel thankful to be spared from Ian's wrath. Yet I'm not oblivious to the fact that so many people weren't.

There are MANY funds popping up that will surely pull on your heartstrings to help others. Because that's what Rotarians do. Our Rotary district will be coordinating with Districts across the state to determine the best way to help communities most impacted by the hurricane. As damage is assessed locally and statewide, I'll share ways for you to help others, individually and as a club, with trusted funds and the means to ensure the dollars reach those who need it most.

Stay safe, my friends, and take care of each other.

Sheila Pillath
President 2022-2023
