World Polio Day

Did you know polio could be the second human disease to ever be eradicated? Think about the gravity of that for just a bit.

Now, consider these calls to action:

1. On October 20, when District Governor Jeff Michelman visits our club, make your own generous gift to end polio. Your donation will be included with the \$1500 club donation to the Fund. Wouldn't it be great to announce a combined gift of \$2000...or more?!
2. Represent Rotary at a local municipality reading of the World Polio Day proclamation. Here's the confirmed dates and times:

- October 13, Flagler Beach, Commission Room, 105 S. 2nd Street at 5:30pm. (Also available online.)
- October 17, Flagler County. 1769 Moody Blvd. Board Chambers at 5pm
- October 24, Bunnell, 1769 Moody Blvd., Board Chambers at 7pm
- November 7, Beverly Beach, 2735 North Oceanshore Boulevard (State Road A1A), 6pm
- Palm Coast-hasn't been confirmed as of this writing

No child should suffer from this vaccine-preventable disease. Be part of a global health legacy.

If Project Share is special to you, you'll want to attend. If you love seeing kids' eyes light up on Christmas, you'll want to attend. The cost is \$100 and includes lunch plus a full day of wellness seminars (from nutrition to goal setting

to farming to bees!) The Retreat takes place on a picturesque farm in Pierson. Make your check out to Project Share and send to Rotary Club of Flagler Beach, P.O. Box 2005, Flagler Beach, FL 32136.
