## Club of Flagler Beach

## Small Town Life

The past four days, I have driven over 1400 miles round trip to see family and friends in WV for Railroad Days, a small town festival celebrating our railroad heritage. There was lots of laughter and nostalgia. A little sadness too- the last time I was at the festival was with my dad in 2016. I also visited the Veterans Museum- so much pride on display. Some of you may remember the bombing in Beirut on October 23, 1983. A "kid" from my hometown was KIA and he was an all-American kind of guy that everyone loved. This had a big impact on me then and still does every year. Lots of memories came flooding back by looking at his display at the museum.

The point of all this is to cherish small town life. Flagler Beach isn't nearly as small as Hinton, WV but it has a small town feel and a small town charm. Each and every one of us represent that "feel" when we put on a Flagler Beach Rotary name tag or shirt.

We have MANY projects coming up. Wear your name tag and/or shirt proudly. People are watching and they like what they see!

With much Rotary pride,  
Sheila Pilath  
President 2022-2023
