Seeking Leaders To Make a Difference

Great leaders don't set out to be a leader...They set out to make a difference.

That applies to Rotary more than you can imagine. Often I hear people say they don't have enough experience or know enough about Rotary to be on the board, especially to be Club President. But I've found that knowing everything is less important than caring about making a difference. What you don't know about Rotary, you can learn. If you're a Rotarian, you're already a leader—whether you realize it or not.

With leadership in Rotary, it's never about the role but about the goal. Our Club is full of people who embody our vision statement: Rotary Club of Flagler Beach is committed to serving the community and beyond by putting generosity into action with the ultimate goal of peace. We value fellowship, inclusion and kindness.

If this is you, then you are a great fit to be on the board and lead the Club. Please reach out to the nominations committee— Roy Sieger, Mickey Ulmer and Andrea Verdi—if you're interested in serving on the board.

Respectfully,

Sheila Pillath

President 2022-2023

Holiday at the Beach Parade

The parade is only five weeks away- yikes! Add Saturday, December 3 at 2pm to your calendar. While the planning is handled by committee, on the day of the parade, we need you to help set up, take down and walk with our float! If you can participate in any way, please let Debby Myer know.

And, if you know anyone who wants to register for the parade, here's the [link](#):

Race of the Runways

I know, I know, this project isn't until February 23. However, there is an action item due in about two weeks: If you agreed to reach out to a previous sponsor, please request a response by November 15. Previous sponsors get first right of refusal. However, we can't hold out indefinitely. This applies only to sponsorships that are limited: Presenting Sponsor, Water Bottle, Bib, Mile Marker and Food.

Please also know that the race registration [link](#) is OPEN! Feel free to share it:
