Club of Flagler Beach

Let Our Hearts Be Full of Thanks & Giving

Tis the season for thanks and giving and it seems to me the Rotary Club of Flagler Beach is always in this season. Just look at what we have going on for December:

- Starry Nights will feature a lifeguard chair decorated to highlight our Rotary Club. Starry Nights kicks off Friday, December 2 at 6pm. Reach out to Debby Myer if you're interested in helping with this.
- Christmas Parade will be on Saturday, December 3 at 2pm. If you want to walk with the float, help decorate the float, etc. also reach out to Debby.
- Project Share...whew, boy! December 10-17 is gonna be BUSY! However, it's sure to get you in the Christmas spirit, making sure kids have a blessed holiday. Please reach out to Laura Biddle if you want to participate. Additionally, if you are able to help pick up larger items, such as bicycles, reach out to Deb Horst.
- Pierson will be Wednesday, December 14 and is the last food distribution before Christmas; it's especially important since we had to cancel November's distribution due to the tropical storm. Laura and Deb can also point you in the right direction if you want to help.

There's a Thanksgiving quote from Amy Grant that reminds me of our Club: "Thanksgiving Day is a good day to recommit our energies to giving thanks and just giving." It is with a grateful heart that I get to spend time with each of you on Thursday mornings and at Club projects. It energizes me to be around people who give their time, talent and treasure so generously. I hope your Thanksgiving is filled with whatever makes you happiest and gives you time to embrace those who enrich your life.

Happy Thanksgiving

President, 2022-2023

Race of the Runways

Race of the Runways

The race is three months away! (Say what???) Here's the short list of what we are focused on:

1. Sponsorships- reach out to Paul Handley if there's a business you think we should contact and you're not comfortable doing so.
2. **Registration** is open! Tell your friends, family, co-workers, acquaintances, strangers, EVERYBODY, they can register with this link:
<https://runsignup.com/Race/FL/PalmCoast/5KRaceofTheRunways>
3. Sponsorships- it's so important it's listed again. Most of the profit on this event is realized through sponsorships. Who do you think would be a great sponsor? (Maybe YOU'RE business??)
4. Marketing- soon we'll have fliers and social media posts available for sharing. Be on the lookout!
5. Sponsorships- really and truly, this is the bread and butter of the event. And, more importantly, this event allows us to do A LOT of good in our community.

Beginning in December, the race committee will get together after each club meeting until the race in February. Sometimes the meetings will last 10-15 minutes, other times might be longer. Exceptions: December 15, January 26 and February 23; these are networking/committee meetings without speakers, so the committee will meet during the regularly scheduled club meeting time.

You're not on the race committee and want to be? We can solve that! Let Sheila know and she'll plug you in to a sub-committee of your choice.

Giving Tuesday

Save the Date

Giving Tuesday is November 29. Please give to your favorite charities so they can continue to do more good during a vulnerable time of year for many families. 40% of Flagler County residents live paycheck to paycheck, making the holidays especially challenging. There are so many worthwhile causes helping people where you live, work and play. Or, maybe your heart lies with a global effort to help people live their best life, such as Polio Plus. Either way, GIVE, and be part of a global movement to make a difference in the world on Giving Tuesday.

Minutarian Week 21: November 21

On behalf of the leadership of District 6970, we want to wish you and your family the happiest of Thanksgivings. If you are traveling, please be safe and enjoy the time together.

On Friday, Maureen and I drove to Tampa to meet Past District Governor Andy Lyman from District 6960 and have him handoff the District 6970 Disaster Trailer. Even though Hurricane Ian is still being cleaned up and the recovery will take years, we now have work on Hurricane Nicole in our district to complete. It was a true joy to drive this Rotary Billboard through central Florida and when we arrived in Deland, we were warmly greeted by two Rotarians from Belgium. We then returned the trailer to Past District Governor Rich and Marie Turnbull in St. Augustine. A very rewarding Rotary trip!
